Dear Sir,

REG: 8TH JOINT NOTE - WAGE REVISION UNCONDITIONAL MANDATE BY BANKS
REF: OUR JOINT COMMUNICATION DATED 25TH JUNE, 2019

* * * * *

Further to the above referred communication coupled with the earlier one by UFBU, we are yet to get the response from IBA. We sincerely feel that there is an imperative need to revisit the decision based on the following reasons.

1. The officers' Service Regulations 1979 applicable to Public Sector Banks are governed by the Banking Regulation Act, 1970/1980 and the State Bank of India Act, 1955. Any change in the terms of service condition should have the concurrence of Central Government through official Gazette notification and also of Reserve Bank of India.
2. The Standardization of Pay and allowance have come to stay based on the Pillai Committee recommendation in Public Sector Banks from 01/07/1979, 1980 and in State Bank of India w.e.f. 01/10/1979.
3. All the seven joint noted on wage revision right from 1985 till 2015 covered all seven scales of officers in Public Sector Banks.

4. The Successive Pay Commission for Central Government employees covers right from Sub-ordinate cadre and up to Cabinet Secretary.
5. The CLC (Central), in the procedure held on 28th May, 2018 in which IBA representatives too participated, advised to continue with the past practices of covering all seven scales while finalising the wage revision.
6. Subsequent in the meeting on 28th May, 2018, IBA did inform the six banks namely State Bank of India, Punjab National Bank, Union Bank of India, Bank of Baroda, Indian Bank and Oriental Bank of Commerce to revisit their decision on truncated mandates given them to IBA for wage revision. Oriental Bank of Commerce did give the revised mandate to cover all the officers up to Scale VII.
7. In the past two joint notes, officers' organisations had shown flexibility to elongate the scale from Scale IV up to Scale VII and also differential Special Allowance to Scale IV & V and Scale VI and VII.
8. When the Officers' Code of Conduct and Discipline and Appeal Regulations are common from 1976, how come to new theory is promoted by 5 banks?
9. Out of 19 banks, 14 banks have given full mandate, leaving the five. Will the decision of minority prevail over the majority? How will IBA fulfill the mandate of 14 banks as they have no plan to draw different scale of their own for officers of Scale IV and above?

The officers' fraternity is getting frustrated and impatient for the undue delay in wage settlement due to the obstinate stand of the management of few banks. They are becoming restless and want to express their anguish through the platform of officers' organization.

We, therefore, in the best of interest of the industry and its present performance in trying circumstances urge upon you to resolve the much vexed question of fractured mandate by these 5 banks so as to take forward the wage negotiations to a faster mode and not force us to take the path of agitation.

Yours sincerely,
