Dear Comrades,

### **PLUNGE INTO ACTION – MAKE THE 48 HOURS STRIKE PROGRAMME A RESOUNDING SUCCESS**

\*\*\*\*\*

Members were informed about the 48 hours continuous strike call given jointly by four Officers' Organisations, i.e. AIBOC, AIBOA, INBOC and NOBO **from midnight of 25<sup>th</sup> to midnight of 27<sup>th</sup> September 2019, opposing the mega mergers of banks and demanding the early wage revision as per Charter of Demands without any pre-conditions, 5 day week, scrapping of NPS etc.** The conciliation meeting called by the CLC(C) at New Delhi, yesterday also failed to resolve the issue. We also append here below the Joint Circular No. 03 dated 19-09-2019 regarding the outcome of yesterday's CLC meeting for the information and guidance of the members.

Dear Comrade,

**CONCILIATION MEETING WITH CLC(C)**

In response to the strike notice served on IBA, CLC(Central) had invited the four officers' organisations for a conciliation meeting today at New Delhi. Representatives of IBA and Government were present in the said conciliation exercise.

2. Our submissions were made by presentation of a detailed note covering the ill effects of the proposed merger of Banks and the cascading effects on general masses and also on the economy of the nation. We also effectively presented our views on the issues of wage revision and unconditional mandate and the shifting stand of IBA. Updation of pension, the need to revise family pension along with empirical evidence to support our views were also emphatically placed before CLC(C).

3. Representatives of DFS presented their views on the need for the proposed mega merger of Banks, which was also countered by our representatives during the course of discussion. IBA representatives expressed their views and appealed to CLC(C) to prevail upon the representatives of officers' organisations to review the decision with the proposed strike. As the standpoints made by the officers' organisations were supplemented with facts and figures, CLC(C) advised that high power committee from IBA should engage with the four officers' organisations with utmost priority. He further directed both the parties to keep him abreast about the developments in the discussion.

Though the discussion was held in a cordial atmosphere, the end result was not encouraging. Hence the 48 hours strike stands.

Keep your spirits high and proceed with all the agitational programs as announced in our earlier communication.

With revolutionary greetings,

Comradely Yours,
