Circular No.5/VIII/2023

12.01.2023

TO

ALL UNITS / STATE COMMITTEES

Comrades,

INDUSTRIAL RELATIONS IS AT THE LOWEST EBB IN BANK OF MAHARASTRA WORK FORCE ON AGITIOANAL MODE WITH DIRECT ACTIONS

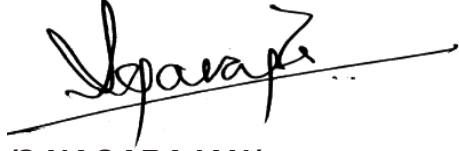

* * * * *

The entire workforce in Bank of Maharashtra, have decided to plunge into actions against the inept handling of the portfolio of Industrial Relations in the Bank. Couple of months back, they were in action and there was a conciliatory exercise initiated by labour authorities of Government of India. Responsible peoples' representatives did play their part to bring back the peace in the working atmosphere within the Bank.

2. In Bank of Maharashtra, elected representatives who superannuated from service are denied to represent the grievances of the members in the Bank. The union premises allotted in the Lok mangal, the HQs of the bank which is forcefully occupied by the Bank recently is an added provocation. The transfers of officers effected by the Bank were painful expressions. The methodology adopted by PSBs and presented to the knowledge of the members of the Parliament and its non -implementation in the Banks speak volumes about the attitude of the management. Recruitment of the staff, the less said the better. In all, there is a complete chaos. The representatives of the ten unions functioning in the Bank, including of our affiliate BOMOA have decided to observe an **ALL INDIA STAY OUT STRIKE on 27th January, 2023** followed by two days' strike on 9th and 10th February 2023 to realise demands for the benefit of the members as well as to benefit the Institution, which is today ranked as No 1 in public Sector Bank.

3. While our organization extends whole hearted support for the successful implementation of the programmes culminating in direct actions in the Bank, the **State Committees are advised to co-ordinate at State level to make the meaningful exercise a grand success.**

Yours Comradely,

**/S.NAGARAJAN/
