READ AND CIRCULATE

6th July, 2017

Dear Comrades,

Attacks are increasing – Programmes are ensuing Move on and mobilise – Be in the forefront of the struggles

* * *

Exactly on the lines of the deliberations we had in our recent Conferences of AIBEA and AIBOA, the banking industry is facing further challenges and various types of offensives are emanating. On the one hand, the Government is talking of insolvency and bankruptcy proceedings on major defaulters. On the other hand, RBI is clamping PCA – Prompt Corrective Action on bank after bank putting various restrictions on business expansion and branch expansion.

Similarly, Finance Ministry is talking of MoU on turnaround Banks in 3 years but daily media is flooded with news on merger of Banks. While Government and RBI are talking of heavy haircuts in favour of corporate defaulters, no one is talking how the Banks can bear this burden. But quietly, the burden is sought to be passed on to the shoulders of the banking clientele in the form of more and more levy, fees, charges and penalties for every type of banking transaction.

In these testing times, our unity and further struggles alone will help us to steer clear of the challenges. UFBU has already decided the programmes as under:

Date	Programme	Our Action Plan
19th July	All India Day Save Public Sector Banks – Rallies/ Demonstrations	Co-ordinate with all other unions; Ensure maximum mobilisation and participation by our units and members in every station
8th Aug.	National Convention of all Trade Unions at Talkatora Stadium, Delhi	UFBU constituents has been invited. AIBEA and AIBOA will take part in this Convention which will decide for agitations and strike action against anti-people, anti-worker policies of the Central Government
22nd Aug.	All India Strike	Hold Joint Office Bearers meeting, Committee meeting, Mass meetings, Branch visits and prepare the members for the strike

15th Sept.	Massive Morcha to Parliament	All our State Federations, State Committees, Bank-wise Federations/ Unions and base units to ensure large participation. Delhi and nearby States should take special efforts to mobilise more number of participants.
Oct/Nov.	2 Days' continuous strike	Get ready for the same. Dates will be announced by UFBU in due course

Instructions:

1. All our unions are requested to arrange for printing the Badges and Posters immediately and ensure supply of the same to all branch units.
2. Posters should be displayed prominently before all bank branches/ officers and in public places.
3. All our unions and members in RRBs and Co-op. Banks will participate in all these programmes .
4. Joint meetings are to be held at every level to plan for the effective implementation of the programmes.
5. AIBEA Central Committee meeting is being held at Delhi on 8th and 9th August, 2017. AIBOA leaders will attend this meeting.
6. AIBOA Central Committee meeting is being held at Bengaluru on 12th and 13th August, 2017. AIBEA leaders will attend this meeting.

Dear Comrades, we request all of you to move earnestly and swiftly to effectively meet the emerging challenges and attacks.

With greetings,

(C.H. VENKATACHALAM)
GENERAL SECRETARY
AIBEA

Yours comradely,

(S. NAGARAJAN)
GENERAL SECRETARY
AIBOA
