TO

**ALL STATE COMMITTEES/AFFILIATED UNITS:**

Comrades,

## **TO-DAY'S STRIKE IS THE WATERSHED IN THE TRADE UNION HISTORY OF BANKING WORKFORCE**

\* \* \* \* \*

Our organization is known for its foresighted approach in assessing the serious developments that are set in motion by the Government of India in a silent manner. Sensing the dangers of attacking on the jobs and job Security of the workforce in our Industry, we had raised the issue of **dis-investment in IDBI and reduction of government equity in 5 Public Sector Banks** as per the directions of SEBI in our earlier strike notice served on the IBA Chairman in **March 2025**.

2. The issues for today's strike action are against the move of Government of India in handing over the IDBI, RRBs to private/foreign players and also allowing Foreign Direct Investment in LIC up-to 100%. In addition to these, issues concerning the employees and retirees have also been linked and projected before the authorities.

3. In retaliation to the move taken by our organization/s, Government of India has initiated steps to conduct the banking business through intimidation of the functionaries of the Banks in various forms on this strike day.

4. The reports from all over the country establish the success of the baby step strike by the workforce. **Congrats to the all participants in observing the Strike as per the directions of our Organisation.** If the Institution/s are allowed to be privatized at the cost

of jobs and job security, then securing better working conditions is obsolete. Our strike observed today has twin objectives viz: **Retention of the Public Sector Institutions under Government Ownership and securing the better working conditions for the present and past workforce.**

**5. Kudos to one & all, get ready for the further struggles.**

**NEVER GET UPSET, ALWAYS GET “UP”  
AND SET YOURSELF  
TO ACHIEVE THE GOAL**

**With fighting greetings,**

Yours Comradely

**S. NAGARAJAN.  
GENERAL SECRETARY**
