We are extremely happy to learn that our Bank has reached Rs. 1 lakh crore of business as on 28-12-2017 coinciding with the dawn of New Year 2018. It is an important milestone crossed by the Bank, catapulting and placing us among the league of banks with a business of 1 lakh crore and above. It is indeed a morale boosting achievement for all of us whereby we can work with a new-born confidence and clarity in the midst of an all-round confusion and crisis looming large over our heads.

On this joyous occasion we heartily congratulate Shri Mahabaleshwara M.S., the Managing Director & CEO for ably and successfully leading the Bank towards this coveted goal. We also congratulate and convey our warmest greetings to the entire KBL Team on this happy occasion as we firmly believe that this could be accomplished only by the collective efforts of entire KBL Team working in unison.

Our joy is all the more great when we recall with pride the stellar role played by our members working in various capacities in branches /administrative offices working with total dedication unmindful of their health and family which has largely contributed in our Bank achieving this golden moment. As Team Leaders in their respective branches, they have been straining every nerve to achieve targets and envision targets. Besides, they have also been successfully discharging the role that of a Brand Ambassador of the Bank, always striving to walk an extra mile towards boosting the customer service which is the hallmark of our Bank.

We sincerely hope that this wonderful achievement will be a harbinger of further growth, prosperity and bring further laurels to our Bank in the days to come. We, while hailing

this significant achievement, reiterate our total commitment for the all-round progress and development of our Bank so that our Bank reaches its pinnacle of glory in the days ahead.
